### Where do I start? What do I pack?

Smart-sizing your life and home is a big decision that will likely leave you with many questions. Like how much space you need in your new Grenadier Home. And what to do with all the belongings you won't be taking with you. To make the process as stress-free as possible, Orchard Flower partners with specialists who will walk you step by step through the transition and into your new, smart-size lifestyle. Ask a sales associate for more information today!
